Carried Away MANY SMALL VESSELS

ARE STORM BOUND

Hilo Structures

DAMAGED BY

SEAS

Tremendous Swells Sweep Hilo Harbor and Vessels Take to the Open Roadstead For Safety— Kahului Temporarily Isolated.

At least sixty feet of the new breakwater at Kahului, owned by Alexander & Baldwin, have been washed away through the action of strong northeasterly swells which have since last Thursday swept that portion of the Island of Maui with severity seldom equaled in intensity for many years past. It was on Thursday morning that over fifty feet of the structure were destroy-The breakwater was built by the Kahului Railroad Company for protection of the shipping at that
